

2026–2030
Choctaw Nation Strategic Alignment

CULTURE AND SOVEREIGNTY

We will assert, defend, protect, and promote our rights as a sovereign nation to improve the economic, environmental, social, and cultural prosperity of our people.

- Cultural Heritage and Language
- Environmental Sustainability and Protection
- Public Safety and Risk Management
- Self-Governance

BEST IN CLASS

We will elevate our service delivery and competitive advantage using best practices through continuous improvement, exceptional customer service, and innovation.

- Operational Efficiency
- Service Excellence
- Technology Advancement
- Data-Driven Decisions

EMPOWERING PEOPLE

We will enhance the well-being of stakeholders by advocating, allocating resources, and remaining committed to improving quality of life, self-sufficiency, and independence.

- Communication and Accountability
- Learning and Development
- Service Coordination
- Health Outcomes
- Quality Education
- Sustainable Housing

FINANCIAL STEWARDSHIP

We will ensure financial sustainability by growing our revenue, reducing costs, and strengthening local economies.

- Revenue Growth
- Cost Optimization
- Economic Growth
- Strategic Growth
